PROSPECTUS

RAI BAHADUR TUNKI SAH GOVT. HOMOEOPATHIC MEDICAL COLLEGE & HOSPITAL MUZAFFARPUR (BIHAR)

Recognised by Central Council of Homoeopathy & Ministry of AYUSH Govt. of India, New Delhi
Affiliated to B.R.A. Bihar University, Muzaffarpur. Ph. 0621-2272337

From the Desk of the Director, ISM & H (AYUSH) Bihar

About Homoeopathy

Being the Director of ISM, Bihar, I congratulate all the Students Staff & Doctors of AYUSH. Today, I observe that the No. of AYUSH students have increased in all the Branches of AYUSH systems of Teachings like Ayurveda Homoeopathy, Unani, etc.

After the advertisement & Appointments made in these branches last year, students are willing to opt any of these branches for admission. No duly qualified Doctors will be left without any engagement/service in the govt. as I hope in future. On the occasion of publishing out of prospectus of R.B.T.S. Govt. Homoeopathic Medical College & Hospital, Muzaffarpur (by the Principal of the College) I feel proud to pen down something about Homoeopathy to which system of treatment, I belong too.

Homoeopathy is a holistic Medical Science discovered by a German Allopathic Physician Dr. Christian Friedrich Samuel Hahnemann in the late 18th century. Homoeopathy is the only available Medical Science today which has an intirestic approach in the treatment of sick people through its well formulated Principle of Law of Similia. The long list of its merits has made it an emerging most Patient-Doctors-friendly and therefore, made it a most acceptable therapeutic science for curing the curable diseases.

The growing popularity of Homoeopathic Medicines as effective, preventive and promotive health care has been now well understood by the ailing mass and policy makers. Affordability is yet another factor for popularity in various countries including India. Now, it has been globally accepted medical Science.

The Govt. of India, New Delhi on 15/09/14 has provided a big jump to the AYUSH Section of Medical Science by approving a good mission known as; **National Ayush Mission (NAM)**. In a historical break through the central Govt. of India has created and set-up a seprate Ministry in the name of AYUSH (Ayurveda, Yoga Unani Sidha & Homoeopathy) for the Promotion of Homoeopathy & others in country. It will help to improve AYUSH education through enhancement in the No. of upgraded educational institutions and provide better access to AYUSH Services through an increase in No. of AYUSH Hospitals, educational institutions, availability of quality drugs, and well qualified Man-Power.

I wish best of Luck to all the students admitted and to be admitted in these branches of Medical Sciences.

Dr. Shyam Sunder Singh
Director ISM & H (AYUSH) Bihar

PRINCIPAL'S CHAMBER

Late - Rai Bahadur Tunki Sah

From The Pen of the Principal.....

A BRIEF HISTORY of R.B.T.S. Govt. Hom Medical College & Hospital, Muzaffarpur, Bihar-842002.

Being a student, since 1970, a member of the teaching faculties since 1977 and principal since 31st May 1993 of this college I dare to write down a brief history of the college what ever I have learnt from my teachers.

Rai Bahadur Tunki Sah (RBTS) Govt. Homoeopathic Medical College & Hospital, Muzaffarpur (Bihar) was established in the year 1958 on 26th May. The foundation stone was laid down by the 1st President of India late Dr. Rajendra Prasad. Late Baidya Nath Prasad s/o Late Rai Bhadur Tunki Sah had Shown the generously and courage to build a Homoeopathic Medical College when Homoeopathy was very much in its embryonic state in India.

He donoted about 5 and half acres of land in the heart land of the city His Continious Positive efforts made the institution a nucleus College in the whole of Bihar, ultimately, its appreciable, infra structure attracted the Govt. of Bihar to take over of the College & Hospital.

Sri Nand Kumar Prasad Sah the then secretary of the college handed over the college to the govt. of Bihar on 01-04-1981 in full fledged running condition The examplarity sacrifice of this towering personality for the Cause of Homoeopathic education & treatment of the ailing mankind is a rarest of the rare type in this materialistic & self Centered world. He always deserves a salute from the Homoeopathic fraternity.

Today Dr. Shyam Sundar Singh the Director, ISM Bihar is leaving no stone unturned to make the institutions up to the mark.

He is working hard for starting of M.D (Hom)Course in the college soon.

I hope his continuous & hard working efforts will never go in vain, and he will prove this college one of the best Homoeo Medical colleges in India; with M.D (Hom) course; for which the efforts are being made.

Dr. Prof. BNS Bharati
M.D. (Hom).
Principal

About Dr. Hahnemann

Samuel Christian friedrich Hahnemann is the founder of Homoeopathy. He was born in the early hours of 10th April 1755. He was an Allopathic physician having MD Qualification. He left Allopathic practice & adopted translating profession, for his living requirements.

During his life time, he published more than 116 large works & about 120 pamphlets on different scientific topics. He founded & accepted chair on Homoeopathy at the leipzig University from 1812 to 1821. He was a great chemist too.

His life was one long victory of accomplishments. He wrote many books on Homoeopathy. His death at the age of eighty nine years at Paris on the morning of Sunday 2nd July 1843 put an end to his earthly life but never to his fame & his glory. He remained all through in the "Hall of fame" Dr. Hahnemann is dead, but his mighty truth cannot die,. "He did not live invain".

About the College

R.B.T.S Govt. Homoeo. Medical college & Hospital Muzaffarpur was established on 26th May 1958 in a sprawling about five & half acres of land. It is situated in the heart land of the city with adequate transportage & other necessary infrastructural facilities. It is situated in the south entry point of the town near Ramdaylu Nagar Station.

The College is the only Govt. Homoeo Medical. College in Bihar. It is affiliated to the B.R.A Bihar university, Muzaffarpur and is recommended and recognised by the central council of Homoeopathy New Delhi and by the Ministry of AYUSH govt. of India respectively. The highly qualified and experienced faculty members impart Homoeopathic education to the students as well as train them practically & clinically to make them able to face the modern challenges of the medical problems. In the total five & half years of graduation course including 1 year of compulsory internship training the students are being trained to become a classical Homoeopathic Doctor.

The college has a fulfledged running hospital with O.P.D & I.P.D facilities. We treat approximately more than 60,000 (Sixty Thousand) patients per year in our hospital free of cost.

The house staff (grihpal) and interns are getting regular monthly stipend from the govt. of Bihar as is given in other systems of treatment of 5 1/2 years duration of the course.

The govt. of India declared this institution a model college and the govt. of Bihar has generously and sincerely made all efforts to provide all necessary infrastructures & facilities to achieve the goal so that the M.D (Homoeo) course may be started in the college at an earliest.
